

Environmental Policy

POLICY

Within the organisation U3AC commits to minimising harm to the environment by

Reducing energy use

Minimising waste and recycling more

Promoting use of non-motorised transport

Promoting awareness of environmental issues

Monitoring and reviewing

PROCEDURES

Support for this will be provided by a U3AC Environment Group who will provide seminars and workshops for members and offer advice on practical ways of improving our environmental impact.

Approved by Council: 24 June 2019

Next review date: June 2022
